Psalm 139:14

... May God make your year a happy one! Not by shielding you from all sorrow and pain, but by strengthening you to bear it as it comes. Not by making your path easy, but by making you sturdy to travel any path. Not by taking hardships from you, but by taking fear from your heart. Not by granting you unbroken sunshine, but by keeping your face bright, even in the shadows. Not by making your life always pleasant, but by showing you when people and their causes need you most, and by making you anxious to be there to help. God's Love, Peace, Hope and Joy to you for the year ahead. Look ahead and prepare-don't look back and regret.

*Begin the New Year With God!*

I am the New Year. I am an unspoiled page in your book of time. I am your next chance at the art of living. I am your opportunity to practice what you have learned about life during the last 12 months. All that you sought and didn't find is hidden in me, waiting for you to search it but with more determination. All the good that you tried for and didn't achieve is mine to grant when you have fewer conflicting desires. All that you dreamed but didn't dare to do, all that you hoped but did not will, all the faith that you claimed but did not have, these slumber lightly, waiting to be awakened by the touch of a strong purpose. I am your opportunity to renew your allegiance to Him who said, "Behold, I make all things new." And as the Old Year slips away, He kindly takes the pages we have blurred and marred with failures and mistakes with him. The blighted hopes and needless fears are gone beyond recall. And ours once more the fair, clean page the New Year brings to all. God bless thy year, the rough, the smooth, the bright, the dear, God Bless Thy Year!

**Make the mistakes of yesteryear 2025 your lessons for this year 2026.**

*A Word From Pastor Butch...* Greetings in the name of Jesus! As we begin a New Year at S Lex Baptist, we begin with great anticipation waiting to see how God will bless us in the coming year. But first, I want to thank Him for the blessings of last year. God has been good. As the last year progressed we saw attendance in worship services rise, with attendance on the Sunday before the writing of this article the highest it has been since Covid hit us several years ago. The last quarter of the year we have had a number of wonderful people join our fellowship with an increase in Baptisms as well this year. We saw God bless and expand ministries of the church, VBS

had 5 professions of faith. Through the Good News Bible Club, which several members of our church participate in, there were 4 professions of faith in the fall session. At the last FCA breakfast, led by our church members, there were over 80 students from White knoll High School present for breakfast and hear the Word of God. There were 4 professions of faith at Fall Festival...And really exciting to me, Youth and Children's ministries have experienced physical and spiritual growth. Our Missions Committee has led the way in raising funds for mission work at home and around the world, enabling us to build two churches in India and support a number of their Pastors along with the other Ministers we support. Overall, there is a great unity and love among the people as we minister together. Of lesser importance, but still important, budget offerings were up 4-1/2% and at the same time designated offerings doubled during the year enabling us to pay \$75,000 in advance payments applied to principle of our mortgage and replacement of several main heating and air conditioning units in our church. God has been so good.

We encourage all of you, to be a part of what God is doing here. We need folks who love the Lord and are looking to serve Him by serving others, carrying out the Great Commission given by Jesus in Matthew 28:18-20.

God Bless You, We Love You All! - *Butch*

## DOLLARS SENSE

2 Corin9:7 - Cheerful Giving! It's interesting to note that Jesus said more about money than about any other single thing, because when it comes to revealing a man's real nature, money is a key indicator.

There is a definite correlation between the development of a man's character and how he handles his money. I'm sure that may be one of the reasons why Paul, in his letter to the Corinthians, spoke about supporting the churches in their mission through generous and cheerful giving. However, the act of giving is often misunderstood as merely a financial transaction. Ultimately, it is a reflection of the condition of one's heart. The principle that "God loves a cheerful giver" emphasizes that the Spirit in which we give is far more important than the amount. We need to remember that giving originates with God because anything we own we have only because God gave it to us. In His grace, He gives us what we don't deserve. So how do we give cheerfully, even when we feel pressed financially? 1st, remember that God owns it all and we are only stewards of His gifts 2nd, give generously and purposely out of loving obedience. Excerpt from "Open Windows" Dec '25 - *Mr. Jerry-Admin.*

We invite all Sr Adults to join in on the fun with us for lunch fellowship and games with prizes! Mark your calendars for the last Thursday of each month at 11:30 AM. It's only the birth of something more, the eternal joy Jesus has prepared us for.

We praise God for sending more students to FCA breakfast each month. We appreciate all our volunteers who come so early to begin breakfast fixin's and for our special speakers, Pastor Butch, Randy Chalmers, Mary Ritter & Coach Shane Richardson. Thank you Lord for giving me the brand new year ahead. Help me live the way I should as each new day I tread. Give me gentle wisdom that I might help a friend. Give me strength and courage so a shoulder I might lend. The year ahead is empty, help me fill it with good things each new day filled with joy and happiness it brings.
